Kodak
Photo Printer 8800

20 x 30 cm prints

±44 seconds

Get big, beautiful results

New premium products. High-speed, reliable production. World-class KODAK Print quality. The KODAK Photo Printer 8800 was designed for your chances to boost your bottom line.

It's impressive! You can now deliver so many new easy, fun and creative products – in just minutes. Kodak tests all of our new premium products with consumers and the results can really pay off for your business. With a 92% overall customer satisfaction rating, plus high scores for referrals to friends and family, this printer is one smart choice.

The KODAK Photo Printer 8800 is incredibly flexible and nimble. It's designed to work with our award winning KODAK Picture Kiosk portfolio and the new KODAK Adaptive Picture Exchange (APEX). It's ideal for higher volume opportunities. The KODAK Photo Printer 8800 is the reliable workhorse of our 8X print solutions team.

- **KODAK Quality Prints that last** – KODAK XTRALIFE™ Paper for stain resistant and waterproof prints that last a lifetime.*
- **Fast** – Get 20 x 30 cm (8 x 12") KODAK Quality prints in as little as 44 seconds.
